	2. Art. 39. 1. of Mysore Vol. I deals with destruction of records. These toll gate ticket books correspond to item (b) (10) under article, viz. The present proposal preservation of the toll gate ticket books perhaps pend till the other question viz. of is decided. — Submitted for orders.

The RC agrees with the views of the Dy. Karar and recommends that these may be preserved for 5 years after one year after audited by Comptroller whichever period is less.

It is doubtful if the preservation of such records for such a long period is necessary. These receipts are not like other receipts, e.g. Land revenue in which there is a demand and payment has to be proved. The receipts are required to detect cases of possible fraud or to deal in claims for refunds. In the old case, orders/rules have been published prescribing one year as a period of limitation for claims. For the purpose of detecting any fraud that may come to notice, a longer period than one year may be required. In view of this, the period of two years suggested by Dy. Comptroller seems to be sufficient and may perhaps be approved.
